

## LEWIS NIXON TO BUILD ROADS AND SEWERS IN RICHMOND BOROUGH

Appointed Public Works Commissioner by Borough President McCormack.

Lewis Nixon, shipbuilder, is the new Commissioner of Public Works in the Borough of Richmond at a salary of \$8,000 a year. His appointment was announced yesterday by Charles J. McCormack, the new Borough President. Mr. Nixon is one of the few Tammany candidates not defeated in November. Once Mr. Nixon was leader of Tammany Hall for six months.

Mr. Nixon's friends say that new Staten Island will be on the map. Mr. McCormack said he had a hard time persuading Mr. Nixon to take the job. One of the main complaints against Borough President McCormack's administration was that the Commissioner of Public Works spent too much money on public highways.

### Look to the Future

You will want good eyesight ten or twenty years from now, just as much as you do to-day. The better care you give your eyes now the keener your vision will be.

If you believe that your eyes may need optical help—tell your eyesight troubles to one of our experienced oculists (registered physicians). He will examine your eyes—and tell you, frankly and truthfully, exactly what's what.

Harris Glasses (if they are prescribed and you choose to purchase glasses) cost \$2 or more.
